

## GIVING SOCIETIES

Common Ground donors help make crisis intervention assessable every day. We continue to provide HOPE, HEALING & RECOVERY to our community in need, due in large part to the financial contribution of loyal donors and friends of Common Ground. *All donors have the option to give anonymously.*

### Friends of Common Ground – Monthly Giving

Friends of Common Ground recognizes donors who make a big impact through manageable, automatic monthly payments. Friends provide resources essential to fund community programs, comprehensive crisis services, education, training, and other programs that empower Common Ground to truly impact the communities we serve and give all those in crisis a path to hope.

### Living Legacy Society – Making a difference in this lifetime and beyond

Living Legacy Society allows us to express our appreciation to donors who decide to include Common Ground in their estate plan. No minimum gift amount is required to be recognized as a Living Legacy Society member. You automatically qualify when you notify the Development Department that you have listed Common Ground as a beneficiary in your estate plan.
